**Available for those who are eligible.

*** OSF Urgent Care locations are not primary care locations. They are more like convenient care locations, where someone can go when they have an urgent healthcare need that does **NOT** require emergency assistance.

Managed Care Plan Comparison

All these plans have the same basic Medicaid services that you receive now, such as: 24/7 nurse hotline, vision & dental services, hospice care, lab tests, x-rays, therapy, behavioral health services, hearing services, hospital services, prescriptions, doctor services, home health care, medical supplies, and transportation to medically necessary appointments. **You have 90 days to pick a plan once you are approved for Medicaid.** For more information: <https://enrollhfs.illinois.gov/choose/compare-plans>.
