

welcome

In the greater Champaign County area, we like to live Outside of Ordinary. What does that mean, exactly?

It means finding unexpected outdoor activities in the heart of the Midwest, perfect for exploration. It's discovering a flavor from a cuisine you've never tried, one of the many reasons we claim the title of *Midwest Living's* Greatest Midwest Food Town. It's finding sculptures rising from the prairie, enhancing the sunrises and sunsets on our big sky. It's discovering your new favorite band at our live music venues and outdoor concerts. It's being met with kindness and our signature Midwest Hospitality.

We believe in cherishing every day. Enjoy our local food, artisans, parks & preserves, and everything that makes us Outside of Ordinary.

We invite you to discover the many bars and restaurants, shops, galleries, theaters, attractions and more in our walkable districts in downtown Champaign, Midtown, Campustown, and downtown Urbana, as well as all of our local businesses and attractions county-wide.

Share your experiences with us on social media with #outsideofordinary!
